Data Sheet Fujitsu ESPRIMO P400 Desktop PC

Your Immediately Available Office PC

Fujitsu All-round ESPRIMO PCs deliver high-quality computing for your office applications and projects at a very attractive price point. You can choose cost-optimized fixed configurations for immediate delivery. Alternatively, you can use configuration options to meet your specific hardware needs, while staying within your budget.

Intelligent performance

The ideal PC for the day-to-day challenges of office life

■ 3rd generation Intel® Core[™] i3, Core[™] i5, and Core[™] i7 processors

Designed and engineered in Germany

Outstanding quality and stable functions based on German production standards

■ The development, production and function tests are all under one roof in Germany

Immediate availability

Short waiting-times for fast purchase decisions - pre-configured and always available

■ Fast availability and adapted to constantly changing customer and market requirements
